Summary of Legislation: The bill provides that in counties other than Marion County, the boards of county commissioners are eliminated effective January 1, 2013, the county executive is a single elected chief executive officer, and the county council is the county legislative body as well as the county fiscal body.

It also provides that the initial county chief executive officers are elected at the November 2012 general election.

Effective Date: July 1, 2008.

Explanation of Local Expenditures: The bill does not delete any current county executive or legislative responsibility. It reassigns duties from a three-member board of county commissioners to a single elected chief executive, which could reduce compensation costs. However, officer compensation is determined by the county fiscal body, and any cost savings will result from the decisions of the fiscal body. Results will vary by county. Officers are compensated from the county general fund.
